### **Six People Arrested for DWI during Labor Day Holiday**

**FRISCO, TX** – Frisco police officers arrested six people during the Labor Day holiday while teaming up with the Texas Department of Transportation and its Impaired Driving Mobilization (IDM) grant. The grant provided funding for additional patrols to search for impaired drivers during the holiday period that ran from August 25<sup>th</sup> to September 7<sup>th</sup>.

In all, the IDM grant funded eight additional patrols for the Frisco Police Department with the sole purpose of taking impaired drivers off of our roadways. All six arrests made by Frisco police officers were of adult violators who were charged with the offense of Driving While Intoxicated. In order for a person to be arrested for this offense, they must be found operating a motor vehicle in a public place while intoxicated.

Since beginning participation in the Impaired Driving Mobilization program in 2008, the Frisco Police Department has made a total of 29 arrests for Driving While Intoxicated through the use of this state-sponsored grant.
